Message from Vice Principal

First of all, I would like to congratulate and welcome to all SEE graduate students who have crossed one phase of education and are seeking for further education. Grand Academy a renowned name is situated at Kumaripati, Lalitpur, the place popularly known as education hub, is established in 2001.

Grand Academy has sole motto to provide quality education at affordable cost and prepare competent citizens to adopt and face the challenges of 21st century, preparing multi-dynamic personality is the demand of the time. GA has legacy to fulfill the requirement of students since it's establishment.

We provide a platform to our students to engage, experience, explain, elaborate, evaluate and then mould their mind to become global citizens with the support of hi-tech educational technology, excellent resources and expert faculty.

Mr. Madhu K Rai
Vice Principal

Message from Co-ordinator

Learning at Grand Academy is based on the fundamental principles of life; teaching the children to be courageous, confident, disciplined, responsible and loyal. Education at our school provides a foundation for a lifetime learning and is great fun too.

We believe in teaching by following the child. We strive to keep our students busy with learning activities. Today the role of a school is not only to pursue academic excellence but also to empower its students to be lifelong learners. We provide the best possible environment for healthy development of students by carefully planned and structured environment in which the child grows and learns in a natural way.

I also take this opportunity to thank the parents of our students for having bestowed their faith and confidence in us. Your faith in us is our driving force.

Lastly, I would like to end with the words of Nelson Mandela, "Education is the most powerful weapon which you can use to change the world."

Mr. Khem Limbu
Co-ordinator

Glimps of GA

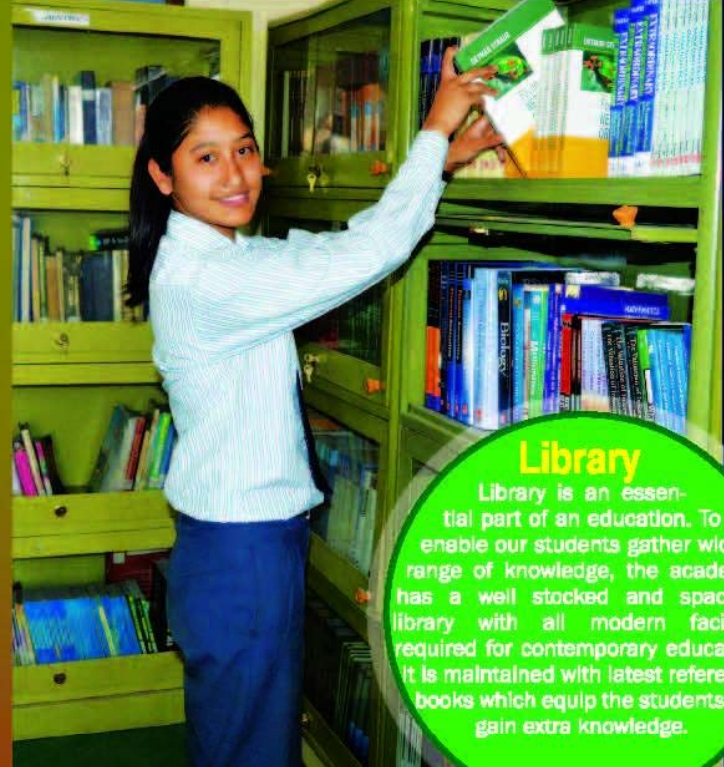

Message from Program Director

I am euphorically thrilled to welcome all the enthusiastic, dynamic and studious individuals at our educational hub i.e. Grand Academy. Grand Academy has proved itself as a milestone in the sphere of academia and it has been ceaselessly imparting world class holistic education by enhancing interpersonal skills, learning behaviors, analytical and diagnostic capacity, and so on. Having said that, we are dedicated in order to excavate the hidden talents of the pupils and to foster their horizon of knowledge, by making them available ample opportunities vis-a-vis to teaching learning procedures. In this respect, we don't give fish, rather we teach them how to catch fish. We are accompanied by potential promising and professional intellectual networks as well as hardworking research faculties in an effort to issue you a key of knowledge to open any golden doors of opportunity in the present competitive era. Eventually I'd prefer to invite all the worthy candidates to be a part of leaving environment at Grand Academy for +2 (Nepal Education Board) through BBS Program (TU)

Library
 Library is an essential part of an education. To enable our students gather wide range of knowledge, the academy has a well stocked and spacious library with all modern facilities required for contemporary education. It is maintained with latest reference books which equip the students to gain extra knowledge.

Mission

The principle aim of this institution is to impart quality and sound education for the students of the modern era in their chosen field of experience. Our fundamental mission is to make learning process applied, competitive and career oriented to equip each student to be smart enough so as to excel in the global arena.

Objectives

- ⇒ To impart quality education in the most congenial atmosphere with the state of the art teaching methodologies
- ⇒ To train students to work independently through project work, field work, independent study and internships
- ⇒ To develop heuristic way of teaching to encourage and explore the latent talent.
- ⇒ To endeavor to conflate education and its practical use in the interest of the society where we live in.

Vision

To become a pioneer academic institution in Nepal by providing standard education as a benchmark in the service of nation .

Teaching Methods

Although lecture method of teaching is the most common method used in classroom teaching, Grand Academy adopts 'Students Centered' teaching method like projectwork, case studies,

group discussions, interaction brainstorming, etc. together with lecture method to educate our students practically and effectively. All possible modern relevant teaching and learning

methodologies, teaching aids are used to make classroom teaching more interesting and effective.
