Introduction

About GA

Grand Academy, affiliated to NEB is an institution of Science, Management, Humanities and Law has been running under the GRAND EDUCATION NETWORK Pvt. Ltd. Its central location makes students access convenient from all areas of Kathmandu Valley. The effective teaching methods in peaceful environment has made the institute lead ahead for Twenty four years . The institute offers free counseling to the students to choose the right path of their own. The needy and deserving students gets scholarship since the academy does not like any genius to be left untouched from the inherited rights.

Our dedicated teaching faculty and members invest their precious time and devotion to prepare dynamic personality of the students by applying and launching modern educational methodology that give exposure to the students to prepare themselves to adopt in any environment. The Well spacious and ventilated classrooms create the educational sphere. The moderate fee structure and practical base quality education are the most attractive components of the Academy.

About RC

Rolwaling College (RC) affiliated to Tribhuvan University, established in 2013 by reputed academicians and educationists, is a premier academic institution in Nepal. In its strategic plan, the college has focused on enhancement of heart, body and soul as overall development of an individual. These elements summarize the aspiration to produce healthy, active, happy and engaged young people who participate in the vast array of activities offered in the college, and who enjoy tremendous success academically while serving others both in the college and society.

This is one of the progressive college, with a wide range of subjects, professional classes with dedicated teachers and a breadth of competition that encourages the development of excellence. With selfless and unrelenting endeavors of the promoters coupled with the commitment and dedication of the faculty members and even superbly by the propitious blessing of the guardians, the RC is being a leading academic institution.

To be precise, this college is brought under GRAND EDUCATION NETWORK Pvt. Ltd. This college is ideal and conducive for learning. With its prime location, it is easy to access all types of public transportation that makes it very comfortable and easier accessible place for students.

MESSAGE FROM THE CHAIRPERSON

Dr. Netra Raj Chataut
Chairman

Dear students and guardians,

This is the matter of my tremendous pleasure so as to welcome all the potential, energetic, young and dynamic personalities from each and every nook and corner of the country to renowned and excellent educational institution, Grand Academy. The journey of thousand miles gets initiated with a single step and your academic step begins with a warm proximity of our widely circulated college. Our sole mission is to enhance a sustainable base education through quality education. At this juncture, we anticipate that the raw minds are triumphantly molded in the desired shape through fine-tuning academic atmosphere, friendly and co-operative teaching faculty, latest within college premises, and so forth, Needless to say our curriculum not only emphasizes on providing expertise in theoretical knowledge, but also emphasize on ensuring the right corporate and technical exposure.

I humbly appeal all the deserving youth to join our esteemed institution where we vigorously Endeavour our best in order to heighten and brighten your academic career.

Message from the Principal

Mr. Rajendra Prasad Upreti
Principal

Excellency and over all development in personality of the students are the motto of our institutions. We pave the way to enhance the students innate quality to compete in this challenging world along with their idea imparting on them to identify themselves different from common students. Our dedicated educationalists and experienced staff help the students to meet the essence of their capabilities by providing them quality education and effective training through which they can achieve the golden goals.

"Together we make the difference" as our slogan, the team members of Grand Academy, entrepre-

neurs, chartered accountant, academicians and bankers are ready to implement variations in training skills, orientation programmes along with curricular as well as extra- curricular activities. In order to lead in every aspect of life, our sound infrastructure and peaceful environment with proper guidance assist the students to be spontaneous and flourish the hidden talent.

I wish a very warm welcome to my new students and quality education seekers as well as the parents to be the part of Grand Academy.

Introducing Law

"Ignorance of law is no excuse". It is assumed that everybody should have epistemology of law .We should study law in order to gain a knowledge of progressive legal system as well as other dimension and utility of law . Legal education is paramount value to stabilize the rule of law. Studying law offers the opportunity to grow up with a range of skill and explore much respectful human life. Studying law is not to be only lawyer rather it is an opportunity to escalate our aptitude to become a successful Entrepreneur, Manager, Politician, Journalist, Diplomat and so on.

Why study law?

- ⚖️ Develop knowledge of fundamental concept and process of law.
- ⚖️ Develop critical thinking strong reasoning and analytical skills.
- ⚖️ Awareness of rights, duty and responsibility
- ⚖️ Develop self confidence and able to accept intellectual challenge.

law student develop the ability to argue from a basic of evidence in a way which can be hard for others to do. This actively cultivates advanced communication skills, keep problem solving abilities and the capacity for independent thinking. As a result law student adapt very well in various situations career transitions.

Student's Views

Shova Rana Magar
XII Management

With a highly effective administration and a term of experienced teachers who are ready all the times to inspire and help students. During my study period at Grand Academy, I realize that I had made wise decision by choosing Grand Academy for my further schooling. I really found it the right place for a learner who aspires to achieve good academic background for Science, Management, Law, Humanities in practical and theoretical knowledge as well. I'm glad to be a part of Grand Academy.

Bikash Bishwokarma
XII Management

The best part about being the student of Grand Academy is that I got lots of opportunities and help from the faculty and administration. Since I have joined the Grand Academy I have achieved a lot more than I had thought in academic and in other aspects that helped me in developing my personality. I am proud to be the part of this institution. I always admire the proper guidance of experienced faculty and the healthy college atmosphere. I will never forget the time that I have spent in this college. My advice to the future students is that if you want to pursue good education in good environment then Grand Academy is the perfect institution.

Pratish Chitrakar
XI Science

After joining Grand Academy I realized that I had made wise decision for my further schooling. The effective individual care and guidance from highly qualified and experienced teachers are the best things that I have ever experienced in Grand Academy. Attractive classrooms, well managed library, laboratories, hygienic food in canteen and other various facilities are the additional features of Grand Academy. Beside proper education the college also emphasizes in sports and other extra-curricular activities to enhance individual talent and qualities of the students. I feel so glad and proud to be a part of this college and I would recommend this college to the students who desire to pursue good education for their better career.

Melina Rai
XI Management

I feel myself very much pleased and dignified to express my views to my college, Grand Academy. In order to get my knowledge sharpen, build my self confidence whether they are study, sports or other extracurricular activities, Grand Academy has contributed a lot of enhance my over all personality. I believe Grand Academy will continue its effortless effort to produce better citizens.

Sanu Rai
XII Science

Grand Academy is a college of management, science and humanities. "Together we make the difference" is the slogan of this college. It is located at Kumaripati where we get sound environment. This college provides effective counseling to the students by which students can choose the right path. Not only that, college also provides scholarship to the genius students.

Teachers are friendly who treat us like a family member. They invest their precious time on us. All around, the classrooms are neat and clean. Transportation facility is also available. The college provides library facility which gives us extra knowledge. GA also conducts different programs for our betterment. Practical based quality education is the most attentive feature of this college.

Salina Tamang
XII Law

As being one of the student of Grand Academy, I am very grateful towards this institution. Grand Academy Provides quality education and has always been best at giving a friendly environment and experienced teachers with responsible administration. After joining Grand Academy, I have experienced difference my personality as it has always helped in enhancing my personality in every step. Thus I can proudly say our upcoming students that if you want to pursue quality education as well as to build-up your carrier then Grand Academy will be best choice for you.

For overall quality education, a college needs essential infrastructure and I found at Rolwaling College. It has outstanding learning environment with qualified and dedicated friendly teachers. The well ventilated class

Ashmita BK, BBS

rooms and library as the enthusiasm of the students. Students focus teaching- learning Pedagogy and practical based quality education are the attentive features of this college.

Welcome & Jewell Program-2079

Program

Vision

To become a pioneer academic institution in Nepal by providing standard education as a benchmark in the service of nation .

Mission

The principle aim of this institution is to impart quality and sound education for the students of the modern era in their chosen field of experience. Our fundamental mission is to make learning process applied, competitive and career oriented to equip each student to be smart enough so as to excel in the global arena.

Objectives

- To impart quality education in the most congenial atmosphere with the state of the art teaching methodologies
- To train students to work independently through project work, field work, independent study and internships
- To develop heuristic way of teaching to encourage and explore the latent talent.
- To endeavor to conflate education and its practical use in the interest of the society where we live in.

Sports & ECA

The Academy conducted various sports activities to encourage students to develop their mental, physical and coordination skills. It provides volleyball, basketball, table tennis, cricket and various outdoor and indoor games. It also conducts activities like quiz contest, essay writing competition, public speaking, environment conservation and awareness campaign, excursions, picnics etc.

Teaching Methods

Although lecture method of teaching is the most common method used in classroom teaching, Grand Academy adopts 'Students Centered' teaching method like projectwork, case studies, group discussions, interaction brainstorming, etc. together with lecture method to educate our students practically and effectively. All possible modern relevant teaching and learning methodologies, teaching aids are used to make classroom teaching more interesting and effective.

Cafeteria

Cafeteria has been established within the Academy premises in order to provide fresh & hygienic food to the students at reasonably low prices. Students surely appreciate the diversified menu and delicacy. The GA is always committed to improve the cafeteria menus and services.

Library

Library is an essential part of an education. To enable our students gather wide range of knowledge, the academy has a well stocked and spacious library with all modern facilities required for contemporary education. It is maintained with latest reference books which equip the students to gain extra knowledge.

Location, **Transport** and Accessibility

The Academy is ideally located at Kumaripati, Lalitpur. As the Academy is located at the heart of Lalitpur, the existing transport network of all modes of public transports from any corner of Kathmandu valley make it easily accessible. In addition, the Academy provides its own college bus services from the college within Kathmandu valley at reasonable rates.

Computer and Internet

Grand Academy provides facilities on computer use and application. The academy has computer lab with reasonable number of latest computers with power backup system during loadshedding multimedia and linked with high speed internet access.

Science Laboratories

Effective teaching requires practical method of approach. GA is well equipped in these aspects as its science and computer laboratories cover about 3000 square feet. All laboratories are well equipped with required modern tools, equipment and other supportive facilities necessary for contemporary science education. Students are informed of the late inventions or changes in technologies.

Students Evaluation

In order to assess students' progress, the college conducts the following tests and reports to parents and students immediately to facilitate an effective and timely corrective measures.

Unit Test

Monthly Test

Terminal Exams

Project and Research works

The progress report card is provided to the guardians/parents after Monthly Test and Terminal Exams. Extra intensive coaching classes are offered to those students whose performances are poor and unsatisfactory. Students should show satisfactory academic performance in different internal examination, and it is the main criteria for eligibility to appear in the NEB exam.

Admission Eligibility

THE CANDIDATE APPLYING FOR
ADMISSION TO THE BBS PROGRAMME:

- ➔ Must have completed the PCL or +2 in business/commerce or an equivalent course from a National Examination Board (NEB), or from Tribhuvan University or from any other University Board recognized by TU.
- ➔ Must satisfy the entry requirements or criteria including the entrance test as prescribed by the college

Courses Offered

BBS (Bachelor of Business Studies) affiliated to Tribhuvan University

The BBS is a four-year full time programme designed to develop a broad range of business knowledge and skills, leading to employment or further specialized study. The course includes an even mixture of practical and theoretical studies required to prepare a student for a broad range of business application. The BBS at Rolwaling College provides students with an understanding and appreciation of modern business enterprises and equips them with the necessary competence in key business functions so as to enable them on graduation to embark on challenging and reward-

ing careers. Not only does this course give the opportunity to make valuable contacts with potential employers, it also gives relevant work experience through part-time job scheme and head start in the business career.

Studying BBS at Rolwaling College is not only giving an overview of how business is operated but also getting an opportunity to develop the specialist role in marketing, accounting, management, finance and impacts on business as a whole. Introduction to business starts as

soon as students begin at Rolwaling College. Students will immediately be involved in actual case studies, regular workshops /seminars and practical examples based on the experiences of real companies and business entities. They will also gain first-hand knowledge from guest speakers who will bring their experience and expertise directly to the classroom.

Internships

Internship or In Service Training is an essential for the students to have Excellencies in the related field. So internship is a vital element of Rolwaling in which internships are carefully supervised. During internships, students have the opportunity to experience various work culture and market practices which enhances their professional development.

After finishing the fourth year BBS program, students are placed in different related company or industry as a trainee. This college has a very good relationship with various company or industry in Nepal.

Scholarship scheme

Rolwaling College Provides Scholarships to meritorious, needy and deserving students. Scholarships are also granted to students from marginalised and under privileged communities and remote areas. Such scholarships are reserved as per the norms and regulations of the Ministry of Education (MoE), Nepal.

What does RC offer ?

- ☞ Scholarship for talented students
- ☞ Highly qualified and motivated faculty members to provide quality education
- ☞ Teaching methods that promote critical thinking and understanding rather than rote learning
- ☞ A balance of curricular and extra activities sports, music, physical training, etc.
- ☞ Opportunity to develop a balanced personality
- ☞ Maximum satisfaction in final result
